Dear Parents,

The year 2013 has come to an end - making way for the New Year 2014, bringing with it new challenges, new promises, new hopes, aspirations and luck. Changing of the calendar has always been a time to reflect on the past. The year 2013 has been a very eventful and fruitful year for the school. Our students not only excelled in scholastic but also in non-scholastic areas bringing innumerable laurels to the school. We not only celebrated various festivals and national days but also hosted a variety of events - very recently being 'Nav Udaan', an inter-school event for pre-primary students, 'Mathe-Run', an inter-school Maths event, German Fest and CODE-2013. Over 70 schools participated in these events and witnessed the creativity and vision of the school. The school also hosted Dr. Stya Paul Memorial Cricket Tournament. Each of the events was a great success and this is undoubtedly the result of the efforts put in by our diligent students, motivated faculty and the supportive parents.

The achievements and accomplishments of our students are difficult to list, yet I would like to share a few with you all.
