APEEJAY SCHOOL, NOIDA
CLASS - III
MY KIND OF WORK
SESSION 2014-15

Even our fish and water fowl enjoy clean water.

PROTECT OUR HOMES

DON'T PLAY WITH MATCHES

PREVENT FOREST FIRES!
ENGLISH
1. Prepare "My Pocket Dictionary" using colourful pastel sheets. Read stories and magazines and choose about 25 new words. At the end of the month, arrange the words alphabetically, along with their meanings, picture (if possible) and a sentence using the word. Design an attractive cover for your dictionary.
2. It's Father's Day on 15th June this year. Prepare a beautiful card. Write a message for your father and present the card to him on Father's Day.

MATHEMATICS
Creating Patterns Using Stamp
Learning objective: This will help the children to learn the method of creating patterns regular shapes by stamping.
- cut a circular piece of cardboard.
- a small pencil can be pasted or fixed to the circular cardboard to make a stamp as shown.

a) Make stamps in circle, square, rectangle, triangle and star forms.
b) Using the stamps, write the hindu - arabic and roman numerals from I to X.

Example :

4 Ⅳ

GENERAL SCIENCE (All work to be done on A4 size sheets.)
I. Clothes we wear
1) On a A-4 size sheet stick-
   (a) cotton
   (b) thread
   (c) picture of yarn
   (d) cotton cloth piece
   (e) A dress stitched from cloth
This will depict the story of cotton
II. Collect leaves of different shapes and dry them. On A-4 size sheets, Make shapes of different animals using these leaves and cover with a cellophone sheet (make atleast 3). Write about – The habitat, food habit and how these animals move.
III. Imagine yourself as any one of the following:
   (a) a bird
   (b) a squirrel
   (c) a rabbit
   (d) a honey bee
   (e) an ant
Draw a picture of your shelter and describe your home in ten sentences. You can include the following points:
   • Name of your shelter (e.g. Bird- nest).
   • How and where do you make your shelter?
   • What is special in your home for which you like it?
   • Who all live with you?
   • Which activities do you do there?

SOCIAL SCIENCE
Prepare a book mark on any one festival of the chosen state from the list given below.
   a) Roll No. 1-12 -Punjab, Jammu & Kashmir, Uttar Pradesh
b) Roll No. 13-24 - Assam, West Bengal, Bihar

c) Roll No. 25-36 - Maharashtra, Gujarat, Rajasthan

d) Roll No. 37 onwards - Kerala, Tamil Nadu, Andhra Pradesh

The students will select any one state from the given list and prepare a colourful and informative bookmark on any one festival of the chosen state. The bookmark should comprise the following information.

* Name of the festival
* Picture or drawing of the festival on the reverse side, mention the following:
  * State and month in which the festival is celebrated
  * Importance of the festival
  * Main food items eaten during the festival

(Size of the Book Mark = 18 cms * 7 cms)

Use a pastel sheet / ivory sheet for making the bookmark and design it creatively.

**COMPUTER SCIENCE**

Draw the following drawings in Paint.

Now draw an 'Under Water Scene' on your own in Paint. Take colour (optional) print out of all the above pictures and paste them in your computer notebook.

**LET’S HAVE SOME FUN LEARNING ON INTERNET**

Children, during this summer break, let’s explore various new things with the help of brainstorming FUN ACTIVITIES available on Internet. You can solve various Jigsaw Puzzles, Logic Puzzles, Sudoku and lots more on the following websites:

- www.jigzone.com
- www.puzzlemaster.com
- www.mindexercise.puzzles.com
- www.funbrain.com
- www.ixl.com
- www.thekidzpage.com/learninggames/index.htm
- www.cookie.com
- www.nasakids.com
- www.uptoten.com
- www.softschools.com
- www.smart-kit.com

But Remember:

Internet to be accessed strictly under the supervision of parents.

Adhere to the time limit of 2/3 hours per week.

Sit straight and maintain proper posture while working on the computer.

Maintain a proper distance from computer screen to avoid eye strain.

**ART**

Make a creative object with the help of ice-cream sticks, straws or matchsticks.
Here are some ideas for you:

PHYSICAL EDUCATION
1. Make a fitness time table (include: fitness activity time, diet etc.)
2. Mention the game with which the following personalities are associated.
   a) P. T. Usha  
   b) Muhammad Ali  
   c) Steffi Graf  
   d) Dhanraj Pillay  
   e) Milkha Singh  
   f) Nadia Comaneci  
   g) Bishan Singh Bedi  
   h) Cristiano Ronaldo  
   i) Anju Bobby George  
   j) Roger Federer
3. Make picture post cards of any two of the following games and sports. Paste the pictures on one side and write brief information on the other side. (size of the postcard=15 cms*8cms)
   (a) River rafting  
   (b) Ice hockey  
   (c) Skiing  
   (d) Para-gliding  
   (e) Water-polo  
   (f) Para-sailing

MUSIC
Find pictures of the following instruments and paste in your notebook and also write names of the instruments:-
   • Four wind instruments
   • Four percussion instruments
   • Four string instruments
Learn taal DADRA : with TAALI & KHAALI.

YOGA
