Sub:(Regarding non-use of Distributed Tablets)

Date : 06.09.2022

All the Pass-out students(Academic Session 2021-22) are informed that as per the letter of Uttar Pradesh Development Systems Corporation Limited (UPDESCO), Lucknow, our pass-out students(to whom the tablets were distributed in the month of May, 2022) of our college are not using the Tablet yet. This is a serious issue and the matter has been taken seriously by the government.

All the pass-out students are strictly required to register on Tablet and use it on regular basis else their caution money may be put on hold.
