

MDP 2: Leadership Skill Development

Introduction

Leadership skills have now been universally recognised as a key ingredient in management. But how do one become such a leader? It is something which one has to learn by experience but experience has to be illuminated by principles. The program is a synthesis of concepts and relating them to experience of participants.

Objective

The programme is designed for mid-level and senior managers to develop their leadership skills, to enable them to make further positive impact on organisation's effectiveness.

Content

- Assessing Leadership style and its suitability
- Motivating and empowering employees
- Problem Solving and Decision Making Skills
- Conflict resolution and Negotiation skills
- Strengthening Inter-personal relationships
- Managing Change
- Coaching and mentoring
