Would you want to subscribe to the paid Value Added Education program in the school (100% optional)?

Yes No

All Value Added Education programs are delivered by external experts from their respective fields outside teaching hours for better development and success of students. They are designed and tailored to the individual needs and aspirations of students and parents. The estimated fee for basic program is Rs 1.4 Lacs p.a. and includes admission to Personalized Sports and Motor Skills Development classes, a Python For Kids Coding Academy, Three sessions with Trained Child Development Experts, access to five workshops on Child Nutrition and Health, a Co-Curricular Training Classes (Vocal Music/ Instrumental Music/ Indian Classical/ Western Dance/ Theater and more), Calligraphy classes, Abacus classes, Olympiad booster program, time with a dedicated Education Counselor, three educational excursions within the city (Visits to factories, newspaper offices, heritage walks and more) and an Adventure Camp. This would mean a cost saving of 29% over taking individual programs. Do note that these programs are not a replacement for school programs but rather a high level extension of them.
