Apeejay Education Society

Dear Parents,

First of all, welcome to the Apeejay Stya family, I also welcome you to the Orientation Programme, further to your ward's admission in our school.

This year, we have no option but to hold an online orientation in wake of the COVID -19 concerns. This is for the health and safety of all of us. We understand the significance of staying connected in these difficult times and we are fully committed to our students and our families. Thanks to technology, at Apeejay we are going on uninterrupted in our pursuit of academic excellence. Our teachers are making dedicated efforts to develop the online learning program and fostering a supportive environment. I would like to add here that constant support and encouragement from the parents plays a pivotal role in all students' achievements.

All our Apeejay Stya Schools, under the aegis of the Apeejay Education Society (AES), have carved out unique identities of excellence and are counted among the best and most prestigious schools in not only their area but in the entire country. AES recently celebrated its 50 glorious years of excellence in education. AES, with its 24 educational institutions in various parts of the country and the Apeejay Stya University is focused on value-based holistic education, man-making and nation building.

We are committed to take forward the legacy of my beloved father, Dr Stya Paul - eminent industrialist, educationist, philanthropist & freedom fighter, and the inspiration behind the Apeejay Education Society - to greater heights. All our schools and educational institutions are future focused and encourage dynamic 21st Century learning. I am sure your ward's journey in our school would be most fruitful & joyful and would prepare her/him not only for success in scholastic and co-scholastic realms but for life itself.

May the almighty bless us all!
