

APEEJAY SCHOOL, PITAMPURA
EXHIBITION HOLIDAY HOMEWORK 2023 – 2024
CLASS – III B

The theme for this year's exhibition is The Weeping Icebergs. It is related to the danger being faced by the world- Global Warming. Even being a small child, you all can lend a helping hand to fight the issue. So, start thinking and find out simple ways that you can include in your daily routine to bring a change.

INSTRUCTIONS:

1. Do sufficient research work related to the topic specified against your name. For write up on A-3 size sheets, give border to the sheet, use different colours of pen to highlight the important words in your written material. Use minimum three A-3 size SHEETS to write information.
2. Try to give a 3-D effect while pasting the pictures, use a double-sided tape or any other material to raise the level of the pictures, or simply give a curve while pasting the pictures.
3. Make the work allotted to you, colourful and presentable. The written material should be readable from a distance. Where ever possible draw picturesinstead of pasting.
4. Project file – Make 10-12 pages project file. Use pictures and make it colourful. Write or type carefully. (Avoid copy paste)
5. Do the work specified against your name.

Sr. No.	Name of the Student	Work To Be Done
1.	AADHYA MITTAL AKSHARA KAKAR KARTIK SHARMA REET KHER	Plant a tree: Plant a tree at home or in a nearby park or community garden. Click photographs and write the importance of planting trees in preventing global warming on A3 size sheets.

ANNEXURE - 3

RUBRICS FOR EVALUATION OF PROJECTS AND FILES

Learning objectives

1. To develop a healthy attitude to save the environment from global warming and other climatic issues.

	5	4	3	2	1
COMPLETION /SUBMISSION	Submitted complete work on time.	Submitted complete work after 1 reminder.	Submitted complete work after 2 reminders.	Submitted half of the work .	Submitted half of the work after reminder
PRESENTATION	Excellent and unique presentation with labelled pictures and text.	Very neat presentation with labelled pictures and text.	Good presentation with appropriate pictures and text.	Satisfactory presentation with appropriate pictures and text.	Presentation of slides with few pictures and text.
CONTENT	Collected complete information on the topics given and shows a full understanding of the topic.	Collected enough information on the topics given and shows a good understanding of the topic.	Good collection of information in most of the Sub topics and shows a partial understanding of the topic.	Satisfactory information in most of the Sub topics but shows no understanding of the topic.	Incomplete information in most of the Sub topics .
Creative Ideas	Excellent use of creativity through Graphical representation , Collage, Tables , Map, Quiz, videos etc. and the work demonstrates a unique level of originality.	Very nice use of creativity for the presentation and the work demonstrates originality.	Good use of creativity for the presentation but the work lacks sincere originality.	Satisfactory use of creativity for the presentation but the work shows little or no original thought.	Less use of creativity for the presentation.
Organisation of Information	Excellent organisation of information and interesting facts	Well organised information with bold headings and Index.	Good organisation of information with	Satisfactory information with bold headings and Index.	Presented information with heading .

	with bold headings and Index.		bold headings and Index.
