

### Dear Parents

Summertime is always the best of what might be. Summer afternoon — summer afternoon; to us those have always been the two most beautiful words in the English language. This is the time to visit grandparents, go swimming, enjoy, explore and spend these precious moments with your children. Go for an early morning walk with your family. You will realise that you are blessed with two of God's greatest gifts nature and family. Do not forget to thank the Almighty for these.

Use your time constructively with your child and remember to teach him/her the magical words "Please, Thank You, Sorry, Excuse Me!" Listen to your children carefully he/she maybe having lots to share.

Keeping in mind that learning is a joyful experience the school this year has designed special tasks to be completed during the vacations and learn that time is precious and moments such as these will fleet past quickly. Go ahead create wonderful memories.

A special note to you Dear Parents, please supervise your ward's work and allow him/her to paint it, etch it, colour the canvas, create a mess and organise it himself/herself.

हाथी दादा थे जंगल में सबसे वृद्ध सयाने,  
डरे नहीं वे कभी किसी से किए काम मनमाने।  
आया मन तो सूंड बढ़ाकर ऊंचा पेड़ गिराया,  
जिस पर चढ़ा हुआ था बंदर नीचे गिरकर आया।  
कभी सूंड में पानी भरकर दर्जी पर फुराते,  
मुझको दे दो शर्ट पजामे हुक्म रोज फरमाते।

तब पशुओं ने शेर चाचा से कर दी लिखित शिकायत,

शेर चाचा ने आनन-फानन बुलवाई पंचायत।

पंचायत ने किया फैसला करता जो मनमानी,

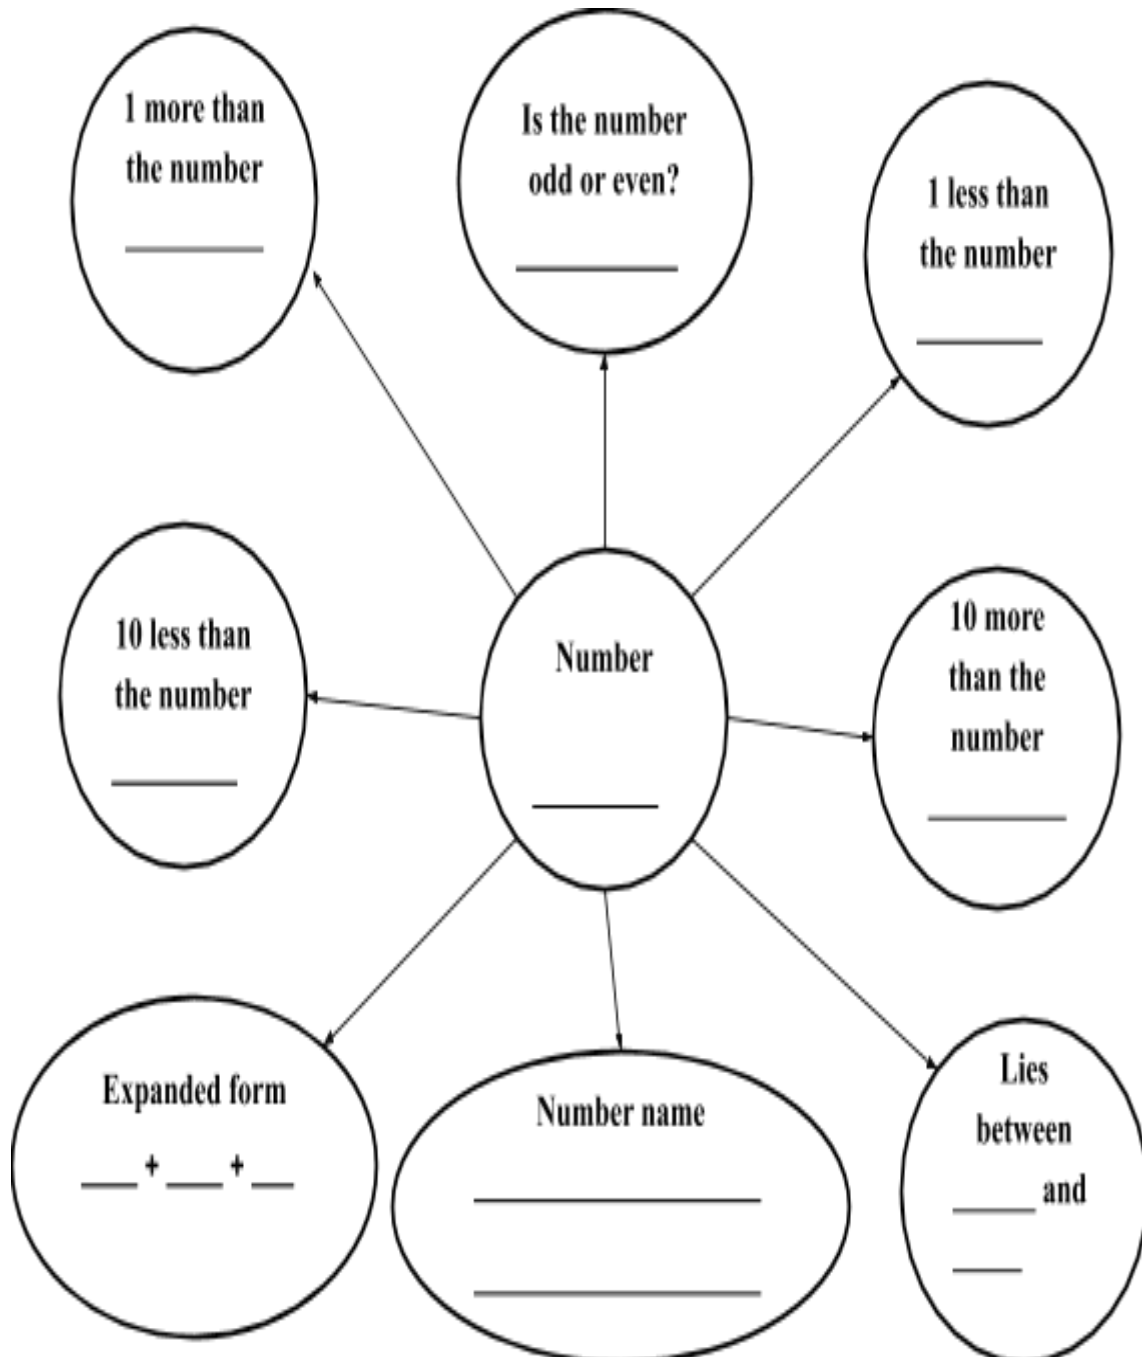

बंद करेंगे पांच साल तक उसका हुक्का पानी।  
माफी मांगी तब हाथी ने लिखकर किया निवेदन,  
आगे अब न होगी ऐसी गलती करता हूं ऐसा प्रण।  
तुमसे भी कहते हैं बच्चों मत करना मनमानी,  
बंद तुम्हारा किया जाएगा वरना हुक्का पानी।
