3. Revise for the Unit Test 1-Chapter 5,7,8

**NOTE:** Use A4 size papers and make a file.

Do the work as shown to you/Use your own creativity.

### **INFORMATICS PRACTICES**

Q.1. Answer the following questions based on general computer organisation concepts:

- a) Name the functional blocks of a digital computer.
- b) Write two functional units of a CPU.
- c) What is an Operating System?
- d) Arrange the following memory elements in the ascending order of their capacity:  
i) ROM ii) RAM iii) Hard Disk iv) DVD ROM
- e) Name two popular operating system used in mobile phones.
- f) Name the standard input and output devices for a digital computer?
- g) What is the difference between a calculator and a computer?

Q.2. Compare DDL and DML statements of SQL.

Q.3. What is primary key? How is it different from candidate key? Explain with the help of suitable example

Q.4. Classify the following as DDL and DML commands

- a. Alter table
- b. Create database
- c. Insert into
- d. Update
- e. Drop table
- f. Delete from
- g. Drop database
- h. Select from
- i. Use
- j. Desc

Q.5. Write down the statement for creating the following table 'LIBRARY' with appropriate data types and size. Also write commands to insert the following commands:

No.	Title	Author	Subject	Publisher	Quantity	Price
1	Data Structure	Lipschute	DS	McGraw	4	217.00
2	DOS Guide	NORTRON	OS	PHI	3	175.00
3	Turbo C++	Robert Lafore	Prog	Galgotia	5	270.00
4	Dbase Dummies	Palmer	DBMS	Pustak M	7	130.00
5	Mastering Windows	Cowart	OS	BPB	1	225.00
6	Computer Studies	French	FND	Galgotia	2	75.00
7	COBOL	Stern	Prog	John W	4	1000.00
8	Guide Network	Freed	NET	Zpress	3	200.00
9	Basic for Beginners	Norton	Prog	BPB	3	40.00
10	Advanced Pascal	Schildt	Prog	McGraw	4	350.00

Q.6. With reference to the above table write commands to do the following

- a. To view the structure of the table
- b. To increase the price of all books by 10 %
- c. To view all books with their name starting with "C"
- d. To delete all books of BPB publication.
- e. To view details of all books with a single copy.

Q.7. Answer the question based on the table VOTER given below:

### **VOTER**

Column Name	Data type	Size	Constraints	Description
V_id	BIGINT	8	Primary key	Voter identification
Vname	VARCHAR	25	Not null	Name of the voter
Age	INT	3	Check>17	Age should not less than equal to 17
Address	VARCHAR2	30		Address of voter
Phone	VARCHAR	10		Phone number of the voter

- a. Write the command to delete all the rows from the table where voter ID between 10 and 20.
- b. Show the voters who are more than 60 years of age.
- c. Modify the phone no of voter ID 'V005' to 999999999
- d. Delete the table physically.

### **MATHEMATICS**

Dear students

Summer vacation is here and all of you need to use this time to hone your skills along with play.

Solve the following exercises from Ncert Exemplar text book in your practice register.

1.Sets

Exercise 2.1,2.2,2.3,2.4

### **GENERAL STUDIES**

As you are aware, General Studies is a mandatory grading subject.

Please prepare a 15-20 page project in General studies on one of the following topics of your choice.

Unit I Science and Technology

Unit II Understanding Social Structure

Unit III Protection of Environment

Unit IV National Unity

Unit V International Understanding

The project should include

a) An impressive cover page

b) Acknowledgement page

c) Introduction to the topic

d) Main content with statistical data, illustrations and relevant pictures.

e ) Conclusion

f) Bibliography

Check the cbse link given below for details about each topic.
