

APEEJAY SCHOOL, SHEIKH SARAI HOLIDAY HOME WORK PLANNER – 2019

Summer vacation is the time for children to enjoy and relax. Children should use this time judiciously. Parents are requested to encourage children to read books and to participate in educational activities at home and promote his/ her quest to learn. Working together will help the child build and develop his/her skills and strengthen family bonds.

Holiday homework assignments will be uploaded on Moodle. Please complete the work and submit to the subject teachers in the first week of opening the school.

Holiday's homework has been designed with the following objectives:

- To keep children connected with the syllabus.
- To engage children constructively.
- To bring out innate potential.
- To help students prepare projects in consultation with the subject teacher.
- Topic for the Exhibition: General Elections in India and Measurement, Artificial Intelligence.

Artificial intelligence is the next generation technology which has surpassed human intelligence and led to more efficiency in various aspects of learning.

General Elections have recently concluded in our country and as the current youth and the future citizen of our country devise how AI can be applied in the field of Elections to reduce human involvement and serve as efficient means of analysis in any field of your choice.

General Guidelines

English

1. Holiday homework, projects, assignments must be attempted in a very neat and presentable manner.
2. Worksheets should be attempted on A-4 size sheets and submitted along with the holiday homework on the given data.

Science

Having in mind “Science is Fun” the motive of the holiday homework in Science is to bring out the joy in observing experimenting and learning science.

Let the children be left to their imagination – browse the net, draw a sketch, splash the colours and enjoy the holidays and complete their work. Parents enjoy the task with children, remain silent spectators and encourage them.

Maths

Parents are advised to read the holidays homework properly and encourage the children to do the work themselves.

- If you find some problem contact to the concerned teacher.
- Please read the homework carefully.

Computers

- The holiday’s homework contains various activities. Students are advised to browse the net and do the work with a lot of creativity. Students should use pictures and graphics wherever required
- PowerPoints and Videos should be attractive. The e-Newsletter should be attractive and colourful
